METROPOL PALACE
A LUXURY COLLECTION HOTEL

Belgrade

A GEM OF MODERN BELGRADE DRAGULJ MODERNOG BEOGRADA

WELCOME

A landmark of Belgrade, this striking hotel first opened in 1957 and is regarded to be one of the most luxurious hotels in the Balkans, welcoming throughout its existence the city’s elite and cultural influencers, as well as foreign guests. We are committed to preserving the hotel’s unique traditions and providing the latest in comfort for our guests. The hotel’s historical heritage effortlessly combines its elegance with the freshness of modern details, resulting in a refined and relaxed atmosphere. This has always been the trademark of Metropol Palace and the reason for the hotel’s famous clientele, ranging from Igor Stravinsky, Elizabeth Taylor and Sophia Loren to Jack Nicholson, Neil Armstrong and Bobby Fischer.

ACCOMMODATION & FACILITIES

The hotel features 199 guestrooms and 40 suites are designed in contemporary style, including a Presidential Suite with floor-to-ceiling windows looking out to one of Belgrade’s most beautiful parks. An oasis of tranquillity and elegance, the rooms and suites exude a contemporary feel, but reference the mid-twentieth century, the time when the hotel was built. Additional, the Metropol Palace has been designed as an impressive venue for business conferences, meetings, receptions and parties. The various spaces, such as ballrooms, conference halls, the restaurant and lobby can accommodate all types of events, ranging from conferences, dinners, private parties, to wedding receptions, meetings and much more.

DINING

The hotel features a fine dining restaurant, serving signature dishes prepared by the consulting Chef Christoforos Peskias, blending local flavours and Greek specialties to create delightful dining experiences, specially designed for the Metropol Palace. Overlooking the park, the rooftop bar & restaurant will offer an unparalleled view over the city whilst providing an excellent range of selected imported beverages and cocktails, making it the perfect place to relax and indulge on a sunny afternoon or a starry night.

DOBRODOŠLI

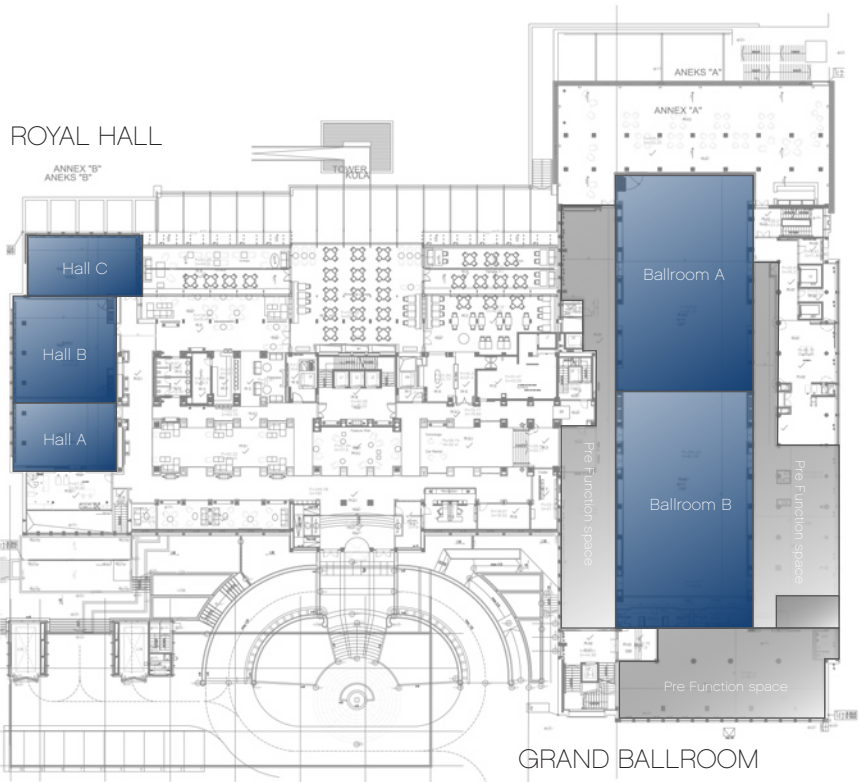

Ovaj predivan hotel originalno je otvoren 1957. godine i smatra se jednim od najluksuznijih hotela na Balkanu, ugošćavajući tokom svog postojanja, gradske doajene i kulturnu elitu, kao i strane goste. Posvećeni smo očuvanju jedinstvene tradicije ovog hotela i pružanju apsolutnog komfora našim gostima. Istorijsko nasleđe hotela je kombinovano sa elegantnom svežinom modernih detalja stvarajući otmenu, a istovremeno opuštajuću atmosferu. Ovo je oduvek bio zaštitni znak hotela i razlog za brojnu poznatu klijentelu, od Igora Stravinskog, Elizabet Tejlor i Sofije Loren, do Džeka Nikolsona, Nila Armstronga i Bobi Fišera.

SMEŠTAJ I KAPACITETI

Hotel ima 199 soba i 40 apartmana dizajniranih u savremenom stilu, uključujući predsednički apartman sa prozorima od poda do plafona, koji pružaju pogled na jedan od najlepših beogradskih parkova. Kreirani da budu oaza mira i elegancije, sobe i apartmani odišu modernošću, ali stilski podsećaju na sredinu 20. veka kada je hotel izgrađen. Pored ovoga, Metropol Palace je dizajniran kao impresivni prostor za konferencije, sastanke, prijeme i zabave. Raznovrsni hotelski prostori, kao što su balske dvorane, sale za sastanke, restoran i lobi, mogu da ugoste sve vrste dešavanja od konferencija, večera, privatnih zabava, do venčanja, sastanaka i još mnogo toga.

RESTORANI

Hotel ima restoran fine hrane, koji služi specijalno za Metropol Palace osmišljen meni sa kombinacijom lokalnih ukusa i grčkih specijaliteta, kreiran od strane konsultujućeg šefa kuhinje Christoforosa Peskiasa. Nadgledajući park, bar i restoran na krovu hotela, pružaće neprevaziden pogled na ceo grad, nudeći ogroman izbor odabranih uvoznih pića i koktela, čineći ovo savršenim mestom za opuštanje i uživanje u sunčanom popodnevnu ili zvezdanoj noći.
